

Frequently Asked Questions about the Vision

When do we give our financial commitment to the Vision? We have asked that those who are able to give an initial gift, do so by August 3. This amount will help us reduce the size of any loan we pursue. Commitments that are broken down over three years should be given at regular intervals that fits within your budget. Giving at least monthly would be most helpful with loan payments

How do we designate our financial commitments? You need to designate your gift in some way so that our financial secretary can keep the Vision gifts separate from regular giving, and give appropriate receipts. Gifts can be placed in the offering plate, mailed to the Church office or handed to the financial secretary. Just as a reminder, the Vision gifts are to be over and above our regular giving. To designate your gift:

| | |
|-----------|--|
| By Check | Write 'Vision' on the memo line. |
| With Cash | Place it in an envelope, and write 'Vision' on the exterior. |

How is the work going to be organized? We have set up six specific Steering Teams to take over the major responsibilities for the Vision. Individuals have agreed to head up these teams, and will be establishing their teams. The teams and their chairs are as follows: Design Team - Roni Schuling, Finance Team - Denny Kolbeck, Construction Team - Stan Smelser and Curtis Thomas, Support Team - Donna Brugioni, Prayer Team - James Taylor, Communication Team - Etta Schulz.

When will all the work begin? While it may appear that not much is going on, that would be incorrect. Some of our projects need to wait on certain things to happen. For example, the parking lot can not be started until the City ok's our plan. This can not be done until they receive the survey for our property. Snyder & Associates, a local development company, is doing the survey at their cost, (saving us thousands of dollars). They began the survey July 24.

Other tasks will be set up by our Steering Teams as they coordinate with one another.
